**Executive Session**

Johnson-Staub gave an overview of union contracts settled previously with unions representing police officers, highway employees and sanitation employees. Johnson-Staub described the status of Town and union proposals for the firefighters contract. Members expressed concern about Fire Department overtime and asked to have the Fire Chief attend a future executive session to discuss the Fire contract bargaining in greater detail.

Johnson-Staub described the proposed settlement with SEIU Unit A, representing various clerical and field personnel, includes the same pay increases and vacation concessions included in the highway contract. The members indicated unanimous agreement to sign the proposed contract with SEIU Unit A.

**MOTION:** Roll call vote to close executive session and return to open session.
