Dear Mr. Whritenour,

Enclosed is your copy of Yarmouth's Annual Report of the Sealer of Weights and Measures submitted to the Massachusetts Division of Standards for the calendar year 2022. A copy has been sent to the Division of Standards directly, fulfilling the Town of Yarmouth's obligation to report these mandated inspections and components of the weights and measures program contracted with the Town of Barnstable under M.G.L Chapter 98 section 37.

Several changes have taken place during 2022: the Barnstable Weights and Measures Program office has recently relocated to a new office space in the Town's School Administration Building. In addition, Barnstable's longtime Sealer of Weights and Measures, Jane Zulkiewicz, retired in August, but has agreed to stay on, in a part time capacity, to assist us as we transition. Lastly, I have been promoted from an Inspector of Weights and Measures with the Town of Barnstable, a job I have done for the last 12 years, into the position of Sealer of Weights and Measures/Program Manager. Even with all these changes, we continued to conduct inspections and are confident the program will continue to ensure equity in the marketplace for years to come.

If you have any comments or questions regarding this information please contact me at (508) 862-4776 or by e-mail at kevin.friel@town.barnstable.ma.us

We look forward to servicing your community in 2023.

Kind Regards,

Kevin Friel
