

RECREATION

For a Healthy Community

CPA Recreation Goals

(from existing Community Preservation Plan)

- ❖ Meet all residents and visitors recreational needs by providing balanced year-round leisure facilities to promote healthy lifestyles while protecting sensitive natural resources.
- ❖ Encourage outdoor recreation and retain community character.

CPA Recreation Priorities

(from existing Community Preservation Plan)

- Improve access to the beaches and public recreational facilities.
- Design a Sailing Center as a year-round facility.
26 New Hampshire Avenue Sailing Center building design, engineering, and rehabilitation in-progress
- Upgrade pocket-park playground equipment and public/school tennis courts.
Playgrounds preserved in 2008 at the following locations:
Bass Hole, 400 Center Street, Yarmouth Port
Bayview Beach, 175 Bayview Street, West Yarmouth
Englewood Beach, 26 New Hampshire Ave, South Yarmouth
Parker's River Beach, 157 South Shore Drive, South Yarmouth
Reid Avenue Playground, Reid Avenue, West Yarmouth
Sandy Pond Recreation Area, 482 Buck Island, West Yarmouth
Wings Grove Playground, 123 Memorial Drive, South Yarmouth
- Create a 20-year Master Plan for Old Town House Park and other parks in the community.
Flax & Sandy Pond Master Plan completed in 2008
- Inventory all public land parcels purchased for municipal or active recreation use.
- Create sustainable outdoor recreation.
